### **Collier County Hunger & Homeless Coalition**

The Hunger & Homeless Coalition was created in 2002 to support the planning, delivery, and coordination of high-quality services to the hungry, the homeless, and those at risk of homelessness in Collier County. Our role is to provide leadership through collaboration, advocacy, and education. The Coalition works collaboratively with local social service agencies, consumer advocates, and volunteers to identify gaps in services and coordinate the development of programs to address unmet needs.

Homelessness and poverty do not discriminate. Let's work together in Collier County to bring an end to the risks that vulnerable residents face. It's important to understand what people experiencing homelessness go through and design a system of care that makes sense.
