FY 2022 CoC Competition Webinar – Thursday, August 11, 2022

On Monday, August 1, 2022 HUD published the Notice of Funding Opportunity (NOFO) for the Fiscal Year (FY) 2022 Continuum of Care (CoC) Program Competition in [Grants.gov](#). To help CoCs and applicants successfully complete the application process, HUD is hosting a webinar this week. This webinar will focus on major changes in the Competition and will review HUD's intent behind some of its changes and questions.

This webinar will be on **Thursday, August 11, 2022 from 2:30 to 4:00 pm ET**.

No registration required. Please click on this [link](#) at that time.

The webinar will be capped at 3,000 attendees. Attendees are encouraged to sign in at least 5 minutes before the Office Hours start time.

Purpose of the Webinar

This webinar will highlight various parts of the CoC Competition process, including the funding tiers, CoC Application, and Project Application. HUD will highlight best practices for completing the process and discuss how applicants should approach their responses.

A recording of this webinar, along with the transcript, will be posted to HUD's [Continuum of Care Program Competition](#) page.

Resources

CoCs, Collaborative Applicants, and project applicants should view the available resources related to the Competition on HUD's [Continuum of Care Program Competition](#) page.
